That'll be how this woman is now
She's up to get into trouble one day
Living in this world
in this modern day
She would like to be the one
Would you see her now
you'd enjoy alone
She's adopted from below Tokyo
So how the f**** and what then now
To walk right through this journey
She's cute
She's very
She's tall
She's beautiful
And sexy too

What I'd like to do is to think about
The Egyptians everyone does around
This is a drug, but these are good
Would you know
what's going on rolling around
These are things I want to predict
Would you know

ގަގަގަ ގަގަގަ

ގަގަގަ ގަގަގަ

what's going on rolling around

We are strong

That's right

We are small

What's that

!!'m wasted, please
